Re: WT Docket No. 12-69

Dear Ms. Dortch:

On July 27, 2012, Competitive Carriers Association (formerly RCA-The Competitive Carriers Association) filed its Request for Extension of the Build-Out Deadlines for Lower 700 MHz A Block Licensees with the Commission. The primary basis for CCA's Extension Request is the lack of interoperability in the 700 MHz Band. Therefore, as the issues presented in CCA's Extension Request are germane to this proceeding, and for ease of reference, CCA is filing its Extension Request in this docket.

Sincerely,

/s/

Rebecca Murphy Thompson
General Counsel
